Defendants.

COMPLAINT

Plaintiff, FREDKIEY HURLEY, individually, by and through the undersigned counsel, and in accordance with the Federal Rules of Civil Procedure and all other applicable rules, statutes, regulations, and governing legal authorities, hereby files the instant Complaint against Defendant MATERA FAMILY LIMITED PARTNERSHIP and NANCY WHISKEY, INC. D/B/A NANCY WHISKEY PUB for violations of the Americans with Disabilities Act, 42 U.S.C. § 12181 *et seq.*

Jurisdictional Allegations

1. This is an action for injunctive relief for violations of the Americans with Disabilities Act (hereinafter “ADA”) entitling Plaintiff to attorneys’ fees,

litigation expenses and costs expended in pursuing this action in accordance with 28 U.S.C. § 12181 *et seq.*

2. Defendant MATERA FAMILY LIMITED PARTNERSHIP is the property owner of the premises located at 1 Lispenard Street, New York City 10013, in New York County, New York (hereinafter “Defendant-Landlord” and “Property,” respectively).
3. Defendant NANCY WHISKEY, INC. D/B/A NANCY WHISKEY PUB is a tenant at Defendant MATERA FAMILY LIMITED PARTNERSHIP’s premises, and the operator of a bar and dining establishment (hereinafter “Defendant-Operator”), which establishment is defined as a “place of public accommodation.” *See* 28 CFR 36.201(a).

Unfortunately, Plaintiff HURLEY is permanently

disabled and confined to a wheelchair as there is no known, affordable cure available to him.

6. This Court has original jurisdiction over claims arising under Title III of the Americans with Disabilities Act (*see* 42 U.S.C. § 12181 *et seq.*; 28 U.S.C. §§ 2201-2202) pursuant to 28 U.S.C. §§ 1331 and 1343.
7. Venue properly lies in the Southern District of New York as it is the federal judicial district where the property is located on which the violative establishment is conducting business.

**ADA: Lack of Reasonable Accommodations at NANCY WHISKEY, INC.
D/B/A NANCY WHISKEY PUB**

8. The ADA prohibits discrimination on the basis of disability by guaranteeing reasonable accommodations are provided for individuals with disabilities. As the owner of the premises and as the operator of a “place of public accommodation,” Defendant NANCY WHISKEY, INC. D/B/A NANCY WHISKEY PUB and MATERA FAMILY LIMITED PARTNERSHIP are jointly responsible for ensuring compliance with the ADA and the ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (hereinafter referred to collectively as the “Accessibility Standards”).

9. Plaintiff HURLEY commutes principally using the MTA/New York City Transit Bus System although he travels to many places locally using only his wheelchair. However, Plaintiff HURLEY receives assistance from his family all of whom are able-bodied individuals and who reside in various regions throughout the five boroughs of New York, including his siblings in upper Manhattan and his grandmother in Brooklyn. Plaintiff HURLEY he is the only member of his immediate family to have contracted spina bifida.
10. Defendants have and are continuing to discriminate against Plaintiff and other similarly situated disabled individuals by failing to provide accessible facilities in violation of the ADA.
11. More specifically, Plaintiff is being deprived of the meaningful choice of freely visiting the same accommodations readily available to the general public and Plaintiff is further deterred and discouraged from additional travel due to Defendants ongoing non-compliance with the ADA.
12. A preliminary inspection of NANCY WHISKEY, INC. D/B/A NANCY WHISKEY PUB discloses that the following barriers to access exist thus effectively discriminating against Plaintiff as a disabled individual:
 - a. inaccessible entrance as existing step leading to entrance acts as a barrier to accessibility without required ramp;
 - b. required minimum maneuvering clearance not provided at first of two entrance doors;
 - c. rise in floor level at threshold of first of two entrance doors acts as a barrier to accessibility;

- d. required ramp not provided for rise in floor level at threshold of first of two entrance doors;
 - e. required minimum space not provided in vestibule between the two entrance doors;
 - f. required minimum maneuvering clearance not provided at the second of two entrance doors;
 - g. inaccessible dining tables as required minimum knee and toe clearance not provided at dining tables;
 - h. minimum percentage of existing dining tables required to be accessible not provided;
 - i. inaccessible bar as height of bar exceeds maximum height allowance;
 - j. required minimum knee and toe clearance not provided at bar;
 - k. portion of bar required to be accessible not provided;
 - l. compliant signage identifying the restroom not provided as required;
 - m. inaccessible restroom as required minimum clear width not provided at restroom door opening;
 - n. required minimum maneuvering clearance not provided at restroom door;
 - o. required minimum turning space not provided in restroom;
 - p. inaccessible water closet as required minimum clear floor space not provided at water closet;
 - q. required grab bars not provided at rear and side walls of water closet;
 - r. non-compliant distance of water closet from side wall;
 - s. non-compliant position of flush control located at closed side of water closet;
 - t. inaccessible lavatory as required minimum clear floor space not provided at lavatory;
 - u. non-compliant faucet knobs at lavatory require twisting of the wrist;
 - v. insulation of pipes under lavatory not provided as required;
 - w. failure to maintain accessible features and failing to adhere to policies, practices and procedures to ensure that the goods and services being offered, as well as the facilities themselves, are accessible to people with disabilities;
13. The above-listed discriminatory violations are not an exhaustive list of all ADA violations on the property. Plaintiff requires an inspection of Defendants' place of public accommodation in order to identify, photograph

and measure all of the barriers to access that constitute discriminatory acts in violation of the ADA.

14. Notice to Defendants prior to initiating suit is not mandated by the ADA. All other conditions precedent to filing suit are satisfied or are waived by Defendants. Defendants' violations of the ADA have been ongoing despite the ADA mandating compliance for all places of public accommodation.

Injunctive Relief Is Necessary to Prevent Future Discrimination

15. Plaintiff frequently visits the area where Defendant-Landlord's property and Defendant-Operator's business are located. Plaintiff visited NANCY WHISKEY, INC. D/B/A NANCY WHISKEY PUB and has suffered discrimination on the basis of his disability.
16. Plaintiff plans on returning to NANCY WHISKEY, INC. D/B/A NANCY WHISKEY PUB to avail himself of the good and services offered to the public thereon, and to determine whether the property has been made ADA compliant.
17. The present violations at Defendants' facility create a hazard to Plaintiff's safety. The violations also infringe upon Plaintiff's right to travel free of discrimination causing Plaintiff harm in the form of suffering frustration, shame and humiliation as a result of Defendants' discriminatory practices or non-compliant facilities.

18. As the violations at Defendants' facility are ongoing, it would be a futile gesture for Plaintiff to return to the property so long as the above listed violations exist. Plaintiff returning to the property prior to all above violations being remedied will only further subject Plaintiff to discrimination and threaten Plaintiff's physical safety and well-being.
